Readers who need more copies of material from *The Quarterly Review of Biology* than permitted under the guidelines of the doctrine of "fair use" (Title 17 of the United States Code, "Copyrights") may purchase them directly from *The Quarterly Review of Biology* (original stock provided if available, otherwise xerographic copies; \$2.50 plus \$1.00 postage and handling, each article regardless of length); or may obtain permission from the QRB to make the copies themselves (permission fee, 5¢ per page); or may deal by way of their libraries with the Copyright Clearance Center (CCC). The cost of an article obtained from the CCC is given as the last four digits of the codon printed at the bottom of the first page of each article covered by our agreement with the CCC.

For more information about the Copyright Clearance Center, contact the Center at 21 Congress St., Salem, MA 01970 USA; telephone (617) 744-3350.
